LeSaint Logistics Headquarters relocates to Romeoville Illinois

LeSaint Logistics Relocates Headquarters and Distribution Center to Romeoville (Romeoville, IL September 2009)
LeSaint Logistics, a Top 100 third party provider of precision logistics including transportation, warehousing, fulfillment and supply chain management services, has relocated its headquarters and Illinois warehousing operation from Elgin to Romeoville Illinois. The new facility, located at 868 West Crossroads Parkway, will initially house 24 customers. LeSaint is currently in 244,459 sq ft of the facility.

"With this current expansion to our overall footprint of 14 facilities, our new location will enable us to better serve existing and new customers," said LeSaint Vice President of Sales & Marketing Dino Moler. "With its easy access to the interstates and major railroads, Romeoville is an ideal location for us to grow our business. We are looking forward to being an active member of the community". Founded more than 26 years ago, LeSaint helps companies in a variety of industries streamline their distribution and supply chain networks. Its serves firm in a number of market segments including specialty chemical, retail, and wellness. LeSaint currently has fourteen facilities around the U.S. Within the last two years they have opened facilities in Ontario California, and West Chester Ohio. In addition to its distribution network, LeSaint is both an asset and non-asset based provider of transportation services. As a Top 100 3PL provider, LeSaint delivers intelligent warehousing, fulfillment, and transportation solutions that provide continuous improvements to boost the customer's bottom line. With fourteen facilities nationwide, focuses on retail and chemical industries.
